

Report on the Seminar Conducted at M.G College on May 3, 2024

A seminar was organized at M.G College on May 3, 2024, featuring an insightful session by **Dr. Anoop V**, a renowned academician from IIT Madras. The event was attended by students from both **M.G College** and **P.R.N.S.S College**, fostering an enriching environment for academic exchange and collaboration.

The seminar commenced with a warm welcome address by **Dr. Bijumon R**, Head of the Department of Mathematics, M.G College. Dr. Bijumon emphasized the importance of such events in bridging the gap between theoretical knowledge and practical applications.

Dr. Anoop V's session focused on "Advancements in Applied Mathematics and Computational Techniques", which captivated the audience with its depth and relevance. He highlighted key developments in the field, shared real-world applications, and engaged students in interactive discussions, encouraging them to think critically and explore new horizons in their academic pursuits.

The students from both colleges actively participated in the Q&A session, posing insightful questions and sharing their perspectives. Their enthusiasm and curiosity added vibrancy to the seminar, making it a truly This seminar served as an excellent platform for knowledge sharing and networking, leaving a lasting impression on all attendees. It underscored the importance of collaborative learning and the role of such academic initiatives in shaping future leaders and innovators.
