## 19. Masks and Sanitizer distribution:

During the early days of the outbreak of Covid 19 Pandemic onwards, the MG College Fraternity comprising students and the staff undertook many humanitarian interventions in order to help the people in distress. The pandemic situation necessitated the constant use of sanitizers and masks as the very part of day to day existence. Consequently, the students in general and the volunteers in particular involved themselves in the production

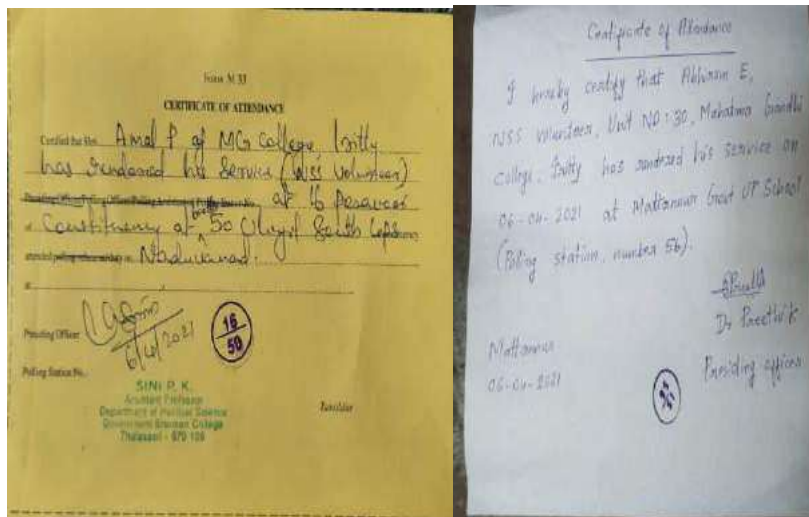

and distribution of both sanitizers and masks as a result of which a large number of people could collect the essential new items in their daily life free of cost as part of the new normal. 10000 masks were supplied by students as a combined effort of NSS, Women Cell and Bhoomithra Sena club. First year NSS volunteers produced more than 1000 masks and NCC cadets produced 700 masks in 7 days and they were also distributed in their locality. It was an example of concrete and direct help as well as a clear instance of spreading awareness related to effective preventive and safety measures against the threat posed by CoronaVirus.
