The screenshot shows a video player interface. The main content is a presentation slide with the following text:

## IPR in Education - Trademark

Trademarks provide protection for names, logos, and symbols utilized in commerce, extending to educational institution identifiers and logos. Governed by The Trade Marks Act of 1999 in India, this legislation allows for the registration of trademarks for educational institutions and their respective logos.

Within the educational realm, disputes over trademark infringement can emerge when institutions employ similar names or logos, leading to confusion among consumers.

Below the slide, a red progress bar indicates the video is at 36:09 / 59:03. Playback controls (play, volume, and icons for closed captions, settings, full screen, and share) are visible at the bottom right.

On the right side of the video player, there is a small circular profile picture of a man and the name "ramees c" below it.
