

Report on LEARN AND LEAD program

The Learn and Lead Career Orientation Program, held on August 30, 2024, successfully engaged 33 third-year BBA students at the Third Year BBA department. Hima K, Head of the Department, delivered a warm welcome address. Midhun Mitwa, a Corporate Trainer from Xylem Commerce Pro, led interactive programs, including workshops, and career counseling sessions. These engaging activities empowered students with essential skills, industry insights and career strategies. Participants praised the program's relevance and usefulness, citing increased confidence and clarity on their professional paths. Athira and Anvitha, third-year BBA students, extended sincere gratitude on behalf of the organizing committee, acknowledging the program's impact on shaping students' future.
