63. **PULWAMA ATTACK DAY**

On February 14, 2019, India witnessed one of the deadliest terror attacks in its history, as a suicide bomber affiliated with Jaish-e-Mohammed (JeM) targeted a convoy of Central Reserve Police Force (CRPF) personnel in Pulwama, Jammu and Kashmir. The attack claimed the lives of at least 40 CRPF jawans and injured many others, sparking outrage and grief across the nation. Since then, India observes February 14 as a 'black day' to commemorate the sacrifice of the martyrs and to condemn the menace of terrorism. On this day, cadets organized a programme in which the cadets paid their respect to the brave jawans who laid down their lives for the country by offering floral tributes.
