

### **“Strategy to Get UGC NET/JRF”**

The Postgraduate Department of Mathematics successfully organized an insightful session on March 27, 2024, led by Mr. Hiran Das P., a recipient of the Junior Research Fellowship (JRF) in December 2023. Mr. Hiran Das, an esteemed alumnus of the department, pursued both his Bachelor's and Master's degrees in Mathematics from the institution during the 2016–2021 academic years.

The session was specifically designed for postgraduate students and focused on the topic **“Strategy to Get UGC NET/JRF.”** Mr. Hiran Das shared valuable insights, effective study techniques, and strategic approaches to help students prepare for and excel in the UGC NET/JRF examinations. His guidance was particularly beneficial for aspirants aiming to qualify for these prestigious national-level exams.

On this special occasion, the department expressed its appreciation for Mr. Hiran Das's achievements and his willingness to guide current students by presenting him with a memento as a token of gratitude and recognition. The event served as an inspiration for students, motivating them to strive for academic excellence and pursue research opportunities in mathematics.
