

Report on the Seminar: “Math Masters: Research, Top Institutes & Entrance Exam Insights”

The Department of Mathematics, SES College, Sreekandapuram, in association with the Department of Mathematics, Mahatma Gandhi College, Iritty, organized a seminar on the topic “Math Masters: Research, Top Institutes & Entrance Exam Insights” on 13th March 2025 (Thursday) at 10.00 a.m. The session was held at the Seminar Hall, SES College, Sreekandapuram.

The seminar was led by Dr. Asif Navas K. R., Assistant Professor, TKM College of Engineering, Kollam. He delivered an insightful talk highlighting various opportunities available for mathematics graduates and postgraduates in the field of research. Dr. Asif Navas discussed the leading institutions in India and abroad that offer advanced programs in mathematics and provided valuable guidance on preparing for various national-level entrance examinations such as JAM, GATE, and NET.

The resource person also shared practical tips for effective study planning, research orientation, and developing problem-solving skills essential for success in competitive exams. The session motivated the students to pursue higher studies and research in mathematics with enthusiasm and determination.

The seminar witnessed active participation from both faculty and students. An interactive discussion followed the presentation, during which students clarified their queries regarding research fellowships, career prospects, and application procedures.

The program concluded with a vote of thanks, expressing gratitude to the resource person, the organizing departments of both colleges, and all participants for making the event a success.
